

# LEARN FROM THE PROS

*Impact coaches pride themselves on teaching fundamental baseball skills through uniquely fun and engaging drills that kids absolutely love. Train with former professional and collegiate players who believe in fueling athletes' confidence to help your kids reach the top of their game!*

## Impact Skills Camp

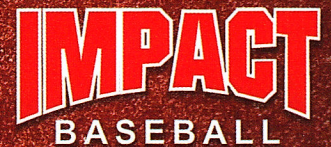

Experience a mix of skills and game play to engage athletes and help them improve their fundamental skills. Players will refine their current abilities and learn new techniques through engaging drills, repetitions, and fun competition.

## All-Star Skills Camp

Focus on mastering age-appropriate skills in hitting, fielding, pitching, and catching, all taught by expert instructors. Athletes rotate through skills rotations in the morning and play live games in the afternoon at Johns Hopkins or Towson stadium.

## Home Run Camp

Learn how to dominate all aspects of the game at Towson Stadium! This camp aims to develop the whole athlete by fusing mental concepts into fundamental-based competitions and live gameplay for a well-rounded experience.

## World Series Camp

Learn teamwork and leadership skills through multiple challenges, competitions, and tournament-style games. Athletes will be taught important techniques solely through competitions and a focus-on-fun gameplay at Johns Hopkins stadium.

## MVP Camp

Prepare for the fall baseball season with Impact's MVP camp where campers will experience upbeat drills, competitions, repetitions, awards, and evaluations, all eyed by our current and former collegiate instructional staff.
